

30 December 1948

MEMORANDUM FOR RECORD

On 29 December 1948 Mr. Fisher Howe, Deputy to the Special Assistant for Research and Intelligence, Department of State, telephoned to inquire if I had any knowledge of broadcasts by the Provisional Government of Israel in Russian. A check revealed that we had no such information, but that the Voice of Israel had recently announced that they expected to add additional languages to their broadcasts in the near future. I advised Mr. Howe of this fact on 30 December 1948, at which time he informed me that the information which had prompted him to phone me was contained in the second paragraph of Airgram A942, dated 30 November 1948, from the American Embassy, Cairo, and that he would appreciate any information I might be able to dig up on the subject.
